A Message From Your Booster Board

Welcome Swimmers, Divers, Parents & Coaches,

The purpose of the Cumberland Valley High School Booster Club is to support the team and the coaches. We provide timers, runners and concessions at all meets held at CV as well as providing recognition for the swimmers and divers. The Booster Club is a separate nonprofit organization managed by a Board of Directors as elected at the end of season banquet.

We have combined the necessary dates and information for the upcoming season into this handbook for your convenience. All this and other information can be found at our website: www.cvswimdive.com

Thank you for your support and good luck to all swimmers, divers and coaches for a successful season!

GO EAGLES!!!!

Concession Stand Responsibilities

A concession stand will be provided at all home meets as well as the Mid Penn meet and District meet which are held at CV. CV parents are responsible for food donations and operation of the concession stand. Since profits from these concessions are a major part of our team's fundraising efforts, we need each family's help to make this a successful endeavor.

How can parents help? Each class will be assigned two dates of home meets at which they will be responsible for hosting the concession stand. Parents of team members in that class are expected to provide food donations and to volunteer to work at the concession stand. If you are unable to work on your assigned night, it is your responsibility to find a replacement or trade dates with someone from another class. The end of season meets held at CV (Mid Penns and Districts) are our club's major fundraisers. Each family will be asked to work one shift and donate one food item at each of these meets. We will contact parents with a reminder of what night they work and the website address of: www.timetosignup.com/cvswimminganddiving for needed food items.

Thank you in advance for your support!!
